DIORMETALLIC

FOR WINTER 2014, THE «FEMME-FLEUR» CELEBRATED EACH SEASON BY RAF SIMONS, IS TRANSPORTED IN A NEW ENVIRONMENT. «CITY LIGHTS» AND THEIR GRAPHIC SILHOUETTES ARE MIRRORED IN THE TOP OF THE LENSES' MAGNETIC COLOURS.

THE FINE FACETED METAL LINE APPLIED ON THE LENS UNDERLINES THIS GRAPHIC ELEGANCE AND ARE PROLONGED TO CREATE FINE OPENWORKED TEMPLES.

THE PACE AND ENERGY OF THE CITY ARE TRANSCRIBED IN THESE NEW SUNGLASSES WITH THEIR AERIAL FRAME AND ARCHITECTURAL LINES.

THE COLOUR PALETTE COMPRISES THE FOLLOWING NUANCES:

- CRACKLED GUN METAL FRAME, COSMIC SILVER MIRRORED AND GREY LENSES
- GUN METAL FRAME, DUSK BLUE MIRRORED AND BLUE LENSES
- GOLDEN METAL FRAME, POWER PINK MIRRORED AND GREY LENSES
- GOLDEN METAL FRAME, PURE ORANGE MIRRORED AND BLUE LENSES
